The story of the Loaves and Fishes shows us that when you share what you have, even if it doesn't seem like that much, miracles can happen! Do not think that your gift is too small or insignificant! Each of us has a role in God's plan; you just need to place your trust in the Lord. Nothing is impossible with God. You just may be the answer to someone else's prayer.

The SSVP Youth Conference would like to **thank everyone who supported our Art and Bee Bomb Fundraisers.** We were able to raise 1500.00 to buy supplies for our May "On the Street" event where we served 194 of our friends in need. Our numbers are increasing with each event, so our Team is now preparing to serve full families living on low income. Certainly, a change from last year, we now have a sizable number of children that attend our Giveaways. **Thank you for supporting** our Youth Conference with continuous prayer and financial offerings.

Laudato Si': Chapter One - What is happening to our Common Home. The 10th anniversary of the encyclical

letter Laudato Si' was celebrated on 24 May 2025. The message and the call to respond to the cry of the earth and the cry of those who are poor are ever more relevant today as they were when Pope Francis published it. This month's Laudato Si' Action Plan offers a summary of Chapter One: What is happening to our Common Home? You can read this summary at this [link](#).

Graduation Prayer

As I graduate and look to the future, I trust in the plans you have for me, to give me hope and a future.

When I feel unsure, remind me that you are guiding me. Help me to walk in faith, use my gifts for good, and to follow You wherever you lead me.

I place my future in your hands.

Amen.
